KRITI C.

New York & Delhi-based designer Kriti C tells stories through design, mixing past influences with fresh ideas. With global stints at iconic design houses, she brings a sharp visual perspective to today's interiors.

A quiet symphony of nostalgia and modernity, Modern Boudoir is a poetic revival of romance where sculptural forms and sinuous curves intertwine with luxurious textures and exquisite craftsmanship.

Infused with femininity and old-world charm, the collection exudes intimacy. A palette of soft neutrals, blush pinks, and mossy greens set a refined tone, while Udaipur's rich craft lends its artistry to intricate inlays, delicate etching, and jewellery-like accents.

Luxurious materials - burl wood, bouclé, and velvet - are quietly indulgent, bridging past and present in a seamless embrace.
